The Intelligencer.

OFFICE: No. 15 Quincy Street.

TUESDAY, NOVEMBER 28, 1871

THE hope that the land-grabbers would be more moderate in their demands in the ensuing than in the previous sessions of already introduced and awaiting action. two bins granung public have not even anomaly is as follows:
their terminal points and not a mile of Several months ago an act was pass their terminal points and not a mile of three land-grant railroad bills now pendwith some of those before the House.

forieit the indemnity he has offered his bondsmen and quietly remove bimself out of the reach of the Sheriff. His actions during the past few weeks indicate that he has been stripping himself for the old bonds. flight and getting his worldly possessions have for escaping the more disagreeable

of a Democratic nomination altogether, and declares there would be "neither sense nor patriotism" in making one. Is not this singular talk from a paper that recently glorified so over the stupendous Democratic victory in this State? Can it be possible the Democracy have fallen so the state of the state low so soon after that victory, when we were assured by the paper of the State her debt. that radicalism had perished from the earth?

ues to be as reticent as an oyster. How long can this thing endure?

THE PRINCE OF WALES is critically ill with typhoid fever, whose attack his debauchery has left him in poor plight to resist. His death is not improbable and the contingency is one of profound interest to England. The Democratic movement arrangement of Virginia with her credstrength from the prospect that soon or late, (and probably soon, in view of the Queen's infirmities) Prince ALBERT will should be the case. Practically prospect that no class views with com-placency; and the middle and lower or the latter as it stood up to July last. Prince has a son eight years old who in manship of such a piece of business, the the event of his death will be heir to the compounding of the interest of such a throne. Then would follow a long re- huge debt under the circumstances, does gency, under the designation of parlia- not matter now. The deed is done and fore, as we remarked, take away one of recall. The point for our observation is the keenest motives that now prompts the lower orders to demand a Republic, and the event could not fail to have a marked influence on the future prospects for herself by accepting anything ad-

and some of them not much more honest assets she has in street parlance a "pretty than the men who, in the name and by good thing of it."
the aid of the Democratic party, have so In conclusion, the question naturally

the people of South Carolina, that they creditors. have brought all this upon themselves that it is the natural and the predicted result of their course before the rebellion, in the rebellion, and since the rebellion, it is little consolation to people suffering under all the evils of bad government to be told that it is their own fault. The people of South Carolina might have had as that it is the natural and the predicted ple of South Carolina might have had as good a government, at least, as any of the perty and influence, had frankly accepted ANEW CANDY TOY. the situation and made the best instead of the worst of it. They chose to oppose the federal power in every effort to rethe federal power in every effort to reS Market street. construct a government from the loyar element that remained, not the element that had been loyal, for that could not be found among the ruling classes, but the element that was willing to submit when further remonstrance was madness and to remove the law. A NEUHAUSEN, Patentee. construct a government from the loyal practically admit that they were beaten

The Virginia Debt and the Portion

The Virginia Deet and the Poston of it Assigned by that State to West Virginia.

For the Waseling Intelligencer.

A good many people are puzzled perhaps at seeing in the Baltimore and Richmond papers daily quotations for West Virginia bonds, that is bonds bearing the name "West Virginias." They are not able to understand how it comes that a security of that name should be on the market, seeing that the State so far as known to them has never incurred any Congress is not encouraged by the bills debt on her own account since her admission into the Union, and never as There are on the files of the House twenty-two bills granting public lands in aid of State. The explanation of the apparent

lines located. Five canal companies are at Richmond known as the Funding Bill. lines located. Five canal companies are asking charters and land titles. The amount of land which will be required to satisfy all these demands cannot now be estimated, as the length of many of the cash will depend on the magnitude of the cstimated, as the length of many roads will depend on the magnitude of the interest of the old bonds, provided her lend grants. The Senate has also twenty-creditors would leave the remaining onethird of principal and interest in abo ing, but seven are substantially identified to await her settlement with West Virginia."
In March, 1866, she had passed a pre

WE shall not be surprised to learn any day that Mr. Tween has concluded to interest that had lapsed during the war and up to January of that year was taken up and funded into interest bearing bonds, but on these bonds the State had failed to pay the interest, finding herself unable to pay more than four per cent of interest on

The recently passed Funding bill is in into the most portable shape. If he was a poor, penniless vagabond who had "control by 18t, 1871, and in addition to fund veyed" a pair of shoes to keep his feet also the principal of the debt into new from the frost he would find his liberty of six per cent bonds, each new bond reprefrom the frost he would find his interty of locomotion very much circumscribed. As he has accumulated a dozen fortunes out of the spoils of a great city he is allowed to perfect undisturbed any plans he may wards of forty-seven millions of dollars.

Gristi to perfect undisturbed any plans he may Two-thirds of this sum amount to thirtyone millions and a fraction. This amount penalties for his misdeeds. It seems to us the State of Virginia assumes to be that there ought to be law enough for her rightful proportion of the whole the case of Mr. Tweed and that there debt, and accordingly she has entered into ought to be legal talent enough to devise an independent arrangement to issue some means of holding him in some secure her bonds for this proportion. She is now issuing said bonds and making them payable thirty-four years after date. As fast WE haven't had the pleasure of reading as an old bond comes in she issues one of after a Democratic editor for a long time | these new ones for two-thirds of its prinwho cats humble pie with a better relish | cipal and interest, and for the suspended than him of the Greenbrier Independent, or deferred one-third she issues a certifi-He is willing to do anything, to support cate which states on its face that payment

It is not necessary to discuss whether it was good or bad policy on the part of Virginia to take the step that she has taken, and especially to issue these certificates as representative of our portion of the ment of the sales are to be found in every civilized sectences as representative of our portion of -By the way, that bold, aggressive and taken, and especially to issue these certifileading organ of Democratic public opinsticates as representative of our portion of ion, the Wheeling Register, continues its her debt, since her act in so doing effects golden silence on the proposed 'Possum only herself and her creditors and in no policy of its party. While the small fry way compromises either the rights or the thusiastic in its praise. The multitudes when policy of its party. While the small fry way compromises either the rights or the all around are speaking out in favor of it, that great architect of public opinion con- Virginia. That proposition was and is to Virginia. That proposition was and is to settle up to the first of January, 1861, and public their estimate of its virtue, are always. not to the first of July, 1871, or to any other date. At the first date the debt of Virginia did not exceed thirty-two millions of dollars, while at the second it was not less than forty-seven millions. Quite an important difference.

It is possible, and this is the important feature of the transaction, that this new there derives much of its impulse and itors may postpone indefinitely the Queen's infirmities) Frince Albert will arrangement amounts to her to about the become the reigning sovereign. It is a proposed that no class views with comclasses with no sort of patience. The Whatever may be thought of the statesment. The Prince's death would, there- so far as Virginia is concerned is beyond

marked influence on the future prospects ditional by reason of a settlement with us. As matters stand she can only be The open discussion of the repudiation ment of the other one-third is wholly of the public debt in South Carolina has contingent on a settlement with West alarmed the holders of the bonds, not Virginia. No settlement no payment, is only of that State, but other State bonds the way the adjustment will work. Why issued under somewhat similar circum-then should she settle at a discount from stances. No one doubts that there have this arrangement? All accruing interest been enormous extravagance, waste and on the deterred third she of course holds corruption in the reconstructed govern- to be at our expense. And meanwhile, ment of South Carolina. The men who, pending a settlement with us, her assets, by ability, by their hold upon the public the property belonging to the two States. by ability, by their hold upon the public confidence, and by tradition, were looked up to as the natural leaders of the State, stood aloof, and permitted the power to pass into the hands of men more ignorant incredible by the enhanced value of these

ong ruled the city of New York. We do not think that the negro rule in South Carolina has ever approached in iniquity the Tammany rule in New York; but it has been as bad as they knew how to make it, and if they have not stolen as varied as they have not stolen as us no new obligations nor takes from us no new obligations nor takes from us has been as bad as they knew how to make it, and if they have not stolen as much as the Tammany ring, they may plead, in extenuation, if they should be arraigned before a Democratic tribunal, that they stole all that they could lay their hands on.

Yiginia has done or may do imposes on us no new obligations nor takes from us any former rights, and therefore creates no necessity for any departure from the original proposition for settlement. Owing no ustaide debt and not seeking to create one, she can perhaps as well afford to wait upon the future as can Virginia and her It does not prevent our sympathy for upon the future as can Virginia and her

THE TRUE GROUNDS OF CONFIDENCE.—Whence comes that firm reliance, that absolute, undoubting faith in the efficacy of Hostetter's Stomach Bitters as a remedy for indigestion, bilious disordors, intermittent and remittent fevers, which notoriously prevails the United States. This condin all parts of the United States? This confidence has been growing for twenty years, and is still extending. It is not the result of credulity; it has not been engendered by any human device, phenomenon should be without its lesson? In like manner when it is seen that obtinate cases of dyspepela, of liver complaint, of constipation-of nervous weakness, and of general debility, yield to the operation of the famous remedy, how thousands who owe their restoration to health recommend it in a neighborly way to their friends public their estimate of its virtues, are always ready to state their reasons for the faith that is in them. They have all either felt or witness; its benificent operations.
